Embroidery

LARGE EMBROIDERY AREA

You can create and embroider large designs without re-hooping up to 240x150mm (9 1/2" x 6").

- The large DESIGNER™ Jewel Hoop 240x150mm (9 1/2" x 6") is included with your DESIGNER JADE™ 35 model.
- HUSQVARNA VIKING® brand is constantly developing new hoops and accessories for various techniques.

HIGH EMBROIDERY SPEED

The perfect time-saver for every embroidery.

- Your HUSQVARNA VIKING® DESIGNER JADE™ 35 sewing and embroidery machine will embroider faster than most other embroidery machines*.
- With the faster embroidery speed you will be able to complete your embroideries more quickly, maintaining the quality and precision that you expect.

** Compared to other embroidery machines in the same price range. Actual time depends on hoop and embroidery type.*

EMBROIDERY INTRO PC SOFTWARE INCLUDED

- Adjust, personalize and combine your embroidery designs; create monograms – all on your PC computer.
- Rotate, mirror, scale and resize any design with the option to keep stitch density constant.
- Use the intelligent Colorsort Feature to reduce the number of thread changes when you embroider.
- Extensive lettering choices - including 10 specially digitized fonts.
- The Quick Font Wizard allows you to create embroidery fonts automatically from most TrueType® and OpenType® fonts on your computer.
- 72 Super Designs that you can adapt for any project. Resize easily, maintaining perfect stitch density.
- Great selection of embroidery designs, frames and corners for creative combinations.

OPTIONAL HUSQVARNA VIKING® EMBROIDERY SOFTWARE FOR PC COMPUTER

Create personal embroidery designs on your computer.

- Best in class embroidery software is available for both PC and MAC® computers and delivers maximum creativity and personalization to your embroideries.

EXCLUSIVE EMBROIDERY DESIGNS AND FONT

Endless opportunities to be creative.

- 70 beautiful designs are included with your DESIGNER JADE™ 35 sewing and embroidery machine.
- 1 built-in embroidery font in three different sizes with both upper and lower case letters to label, date and embellish.

SCALING

- Decrease or increase the design up to 20% from the original size to fit your project.

HUSQVARNA VIKING® USB EMBROIDERY STICK

Save thousands of designs on the large memory USB Embroidery Stick.

- A 4GB HUSQVARNA VIKING® USB Embroidery Stick is included with your DESIGNER JADE™ 35 machine which makes room for an almost unlimited number of embroidery files.
- 70 exclusive HUSQVARNA VIKING® DESIGNER JADE™ 35 designs are loaded on the embroidery stick at delivery.
- Conveniently transfer your designs to and from your computer and your DESIGNER JADE™ 35 machine.

WWW.MYEMBROIDERIES.COM

Thousands of designs available anytime with just a click on your computer.

- Download designs from the Internet anytime, day or night.

DESIGN BASTING

- Baste around the perimeter of the design to accurately position the design or appliqué. Fix the fabric to the stabilizer if you are using a delicate fabric or a difficult fabric to hoop.

EMBROIDERY EDIT

- Ability to mirror, move, rotate or copy your design on your screen or in the Embroidery Intro PC software.

CORNER CHECK

- Trace the outline of the design in the embroidery hoop to accurately position the design.

ROTATE DESIGN 90°

- Rotate the design around its center point.

STEP THROUGH STITCHES

- Step forward or backward stitch by stitch through the design.

STEP THROUGH COLOR BLOCKS.

- Step forward or backward through the color blocks.

MOVE

- You can move the design in the embroidery field to desired position.

MULTIPLE OPTIONAL HOOPS

More than 10 optional hoops in different sizes are available.

- Making it easier to do special techniques like endless embroideries, quilting, textured embroideries and much more.

Sewing

EXCLUSIVE SEWING ADVISOR™ FEATURE

Select fabric type and sewing technique, and the Exclusive SEWING ADVISOR™ feature will instantly set everything for you, expert advice right on the screen.

- It sets the best stitch, stitch width, stitch length and thread tension.
- The stitch is displayed with the recommended presser foot, needle size and type on the graphical display.

200mm SEWING SPACE

Sew large quilts, home dec projects and garments easily.

- Large area to the right of the needle for wonderful ease of sewing.

120 BEAUTIFUL 7mm WIDE STITCHES

- Select from a wide variety of stitches for every technique and endless creative opportunities. You will always have the perfect stitch for every project.

ONE-STEP BUTTONHOLES

- Buttonholes are quickly and easily sewn in a simple one-step process. Both columns are sewn in the same direction to lay smoothly and prevent distortion.
- Choose from four different styles for various sewing applications.

2 SEWING FONTS (Block and Cyrillic)

- With both upper and lower case letters, numbers and symbols for easy programming and to personalize any project.

STITCH PROGRAMMING

- One permanent memory (saves up to 60 stitches or letters) in a personal stitch program for quick and easy access.

NEEDLE STOP UP/DOWN

- For easy pivoting, appliqué and more.

START/STOP FUNCTION

- Easy to sew with consistent speed without using the foot control.
- Press Start/Stop to begin and to stop sewing.
- Great for sewing rows of decorative stitches, free motion quilting and making buttonholes.
- Ideal for sewers with physical limitations.

DROP FEED TEETH

- Easy to lower feed teeth at the back of the free arm for button sewing and free motion quilting or embellishment.

FREE MOTION WITH ANY STITCH

- For easy quilting and beautiful free motion embroidery using any stitch you choose.

TOP THREAD SENSOR

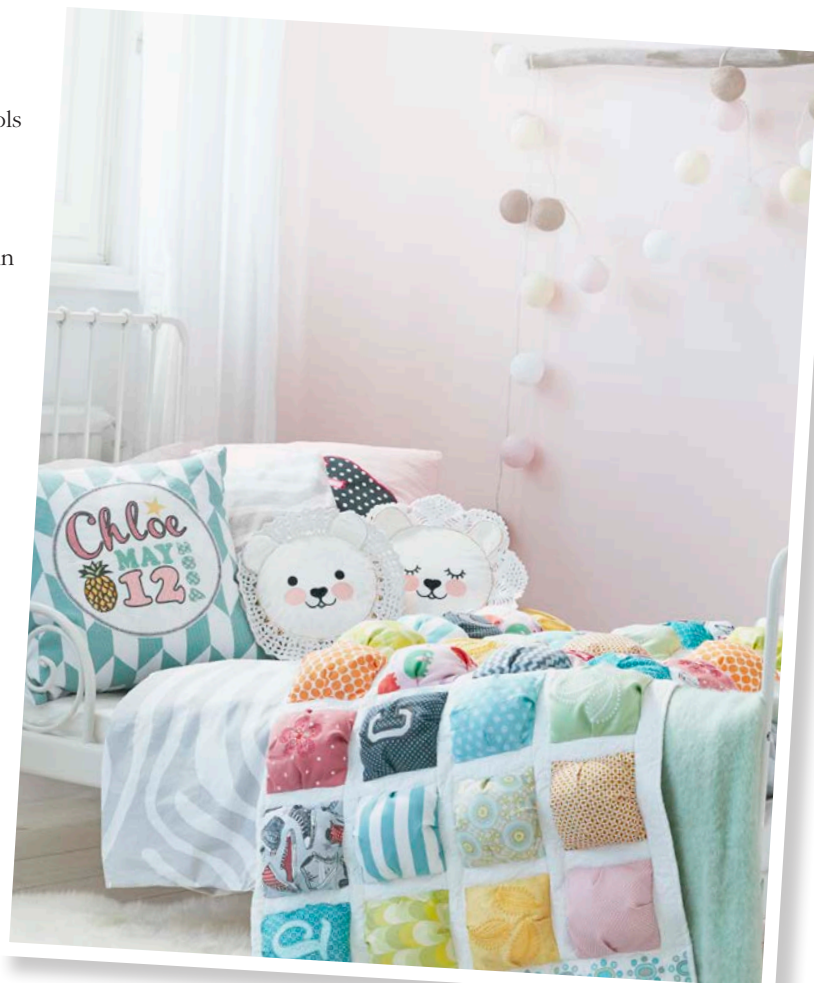

- A pop-up message appears when the top thread breaks.

29 NEEDLE POSITIONS

- Sews a straight stitch in 29 different needle positions for perfect topstitching, edge stitching, under stitching, stitching-in-the-ditch or quilting. Adjust and mirror the stitch length and width.

LARGE ASSORTMENT OF OPTIONAL ACCESSORIES

- Many optional accessories for every sewing need and creative possibility. For all different types of sewing, embroidery, quilting, home dec and more.

Machine

DESIGNER ACCESSORY COMPARTMENT

- Modern, convenient and easily accessible storage for all the included accessories.
- The sleek modern compartment will look stylish when the sewing machine is not in use.

ELECTRONIC SELF-ADJUSTING THREAD TENSION

Time saving and convenient when sewing.

- Best tension is set automatically for all sewing techniques and fabrics.
- Override automatic tension easily for specialty techniques.

8 HUSQVARNA VIKING ORIGINAL SNAP-ON ACCESSORY FEET INCLUDED.

- A wide selection of easy snap-on presser feet is included with the HUSQVARNA VIKING® DESIGNER JADE™ 35 machine, including the One-step buttonhole foot.

AUTOMATIC THREAD CUTTER

Timesaving and convenient when sewing.

- One touch instantly cuts the top and bobbin threads underneath your fabric.
- In embroidery it cuts the top thread between color changes and cuts top and bottom thread at the end of the embroidery.

SPEED CONTROL

- Easily adjust the sewing speed for greater control.

BUILT-IN NEEDLE THREADER

- Makes threading fast, easy and hassle free.

GRAPHIC DISPLAY

- The graphic display lets you view all the selections and options. Chosen stitch is shown in real size on the graphic display.
- All the sewing recommendations are displayed on the graphic display.

TWIN NEEDLE SAFETY

- Select the Stitch width safety to eliminate twin needle breakage.

BOBBIN WINDS FROM THE NEEDLE

- No need to unthread the machine when winding the bobbin.

MULTIPLE LANGUAGES

- Choose and set your preferred language for your settings and pop-up messages on the graphic display.

LED LIGHTS

Reduces shadows while sewing.

- LED lights illuminate the needle area and sewing surface to make sewing easy and reduce eye strain.
