Sewing and Embroidery Machine

Discover a New World of Sewing with Embroidery

Top Features

The HUSQVARNA® VIKING® DESIGNER QUARTZ™ 29 sewing and embroidery machine offers features such as a large 7" (17.8 cm) color touch screen and WiFi connectivity, making it easy for even a beginner to sew and embroider with confidence. Sew embroidery designs, monograms and unique stitch sequences to personalize any project.

Large 7" Color Touch Screen

Clearly view machine information displayed on the large 7" color touch screen. See your machine settings and stitch information, preview designs before loading them, and make any desired edits directly on screen with ease.

180 Embroidery Designs

Designs from a wide range of categories or themes are built-in and easily accessible directly on-screen. They can be scaled, rotated and even combined to create customized design layouts.

10 Embroidery Fonts

Personalize projects by choosing from 10 embroidery fonts, each available in three sizes, in upper and lower case.
